years of TRADITION
FAMILY OWNED & MANAGED

The beginnings of family run trading company JAGROS, d.o.o. can be traced in 1989, when the first retail trade store was opened in Rogaška Slatina.

Since then we have successfully expanded our business operations. Nowadays the company JAGROS, d.o.o. consists of 35 retail trade units situated at different locations with a total sales area of about 80.000 square metres, mainly in the Štajerska region. The main motto of our working collective, which is now sized to more than 500 employees, is to fulfill the requests of our customers in best possible way.

Our company has been ranked among Slovenian gazelles for several years successively, while last year alone, we have marked an increase in the range of 13%. Our motto is to offer our customers the best goods and services for the lowest price.

VISION

We want to be the best retail chain across the whole of Štajerska and Slovenia. We want to be identified by low prices, excellent services of trade, quality products, friendly employees and satisfied customers.

MISSION

We believe that the mission must always be based on progress. Our mission is to meet the needs of customers, mostly carried out with excellent commercial services, high-quality merchandise and competitive prices. Our staff provides a safe and pleasant working environment with opportunities for personal and professional development. We want to remain a fast growing, very well organized company, based on the responsibility to employees and responsible attitude towards the natural and social environment in which we live.
